

Team Meeting Online
Friday, September 20

In attendance:

- Everyone

Tasks:

- Complete and plan out the class diagram
- Generate code in UMPLE
- Discuss UI mockups and assign tasks
 - Define a general style for us to use
 - Fonts, colour scheme, theme

Outcomes and decisions:

- Class diagram done
- UMPLE code not generated, to be done this weekend
 - Assigned to:
 - Shayan (MINIMUM) - if this is the only person to have done it, we will do a collective code review
 - David Wang
 - Jun Ho
- Task assignment for UI Mockups
 - UI Mockups
 - Jun Ho 3
 - David Wang 4
 - Jack 1
 - Shayan 5
 - David Vo 7
 - Hamza 2
 - David Zhou 6
- We will work on the same Figma board for the UI to ensure that we can see our designs and take inspiration so that our mockups are consistent thematically
- Deadline for mockups: Monday night
- Deadline for UMPLE code: Tuesday meeting
- Tuesday meeting, we will present our mockups
